**Allotment of Sites to the Employees  
of Karnatak Films Limited, Gandhinagar.**

**Q.—3234. Sri C. J. MUCKANNAPPA  
(Gubbi).—**

Will the Government be pleased to state:—

(a) the number of sites that were allotted to the employees of the Karnatak Films Ltd., Gandhinagar;

(b) when the allotments were made and whether the allotments were made individually or in the name of the concern together with the rate fixed?

**A.—Sri T. SUBRAMANYA (Minister for Law, Labour and Local Self-Government).—**

(a) Ten sites were allotted to the employees of the Karnatak Films Ltd., Gandhinagar;

(b) The allotments were made individually by the Board at the meeting held on 31st January 1958, at the prevailing rates of Rs. 6-2-0 per square yard for sites measuring 30'x 45' and Rs. 7-2-0 per square yard for sites measuring 40'x 60' and after completing the formalities and receipt of the full value of the site, the possession will be given to the individuals concerned and not to the firm as in the case in all such allotments.

**Sri C. J. MUCKANNAPPA.—**When did these ten people apply for sites?

**\*Sri T. SUBRAMANYA.—**In the year 1957. I do not know the date.

**Sri C. J. MUCKANNAPPA.—**May I know whether these sites were allotted in one place or were they distributed?

**Sri T. SUBRAMANYA.—**I think they were mostly allotted in one place.

**Sri C. J. MUCKANNAPPA.—**Is it not a fact that the prevailing rates were higher than the rates at which sites were given to these people?

**Sri T. SUBRAMANYA.—**No, the same rate prevailed everywhere.

**Sri C. J. MUCKANNAPPA.—**Is it not a fact that these ten sites were given to these ten people at a conces-

sion rate as a result of the interference of the Government?

**Sri T. SUBRAMANYA.—**No, they were given those sites at the prevailing rate.

**Sri C. J. MUCKANNAPPA.—**May I bring to the notice of the Government that there is a representation by these ten people requesting for allotment of sites at a concession rate?

**Sri T. SUBRAMANYA.—**I am not aware. The papers may be pending with the Trust Board.

**Sri C. M. ARUMUGHAM.—**Is it not a fact that because the Managing Director of the Karnatak Films Ltd. happened to be a relative of an ex-minister, these sites were given at a concession rate?

**Sri T. SUBRAMANYA.—**They were not given at a concession rate. The relationship of the Managing Director or of the employees cannot influence the grant of sites at a concessional rate.

**Drinking Water Wells in the Babbar  
Agricultural Experimental Farm.**

**Q.—3143. Sri K. KENCAPPA  
(Hiriyur).—**

Will the Government be pleased to state:—

(a) the number of drinking water wells provided in the area where the officers and officials attached to Babbar Agricultural Experimental Farm are residing together with the year in which they were constructed;

(b) whether these wells contain spring or percolated water;

(c) whether these wells have been provided with revetments, platforms, parapet walls, beams and pulleys;

(d) whether these wells have been repaired at any time after their construction?

**A.—Sri K. F. PATIL (Minister for Agriculture and Food).—**

(a) There are four drinking water wells on the Experimental Farm, Babbar. Three of them were sunk in 1913. The fourth well which was half sunk and had no water was later deepened in the year 1954.
